WEB SITE ppbaonline.com

I am so excited to announce that after many years we have an ACTIVE WEB SITE again. Thanks to Pastor Mike DeLong for setting up the new website. It is still a work in progress but it LOOKS GREAT!! As I have stated many times over the past years, this has been a goal of mine but I have very little experience in doing a web site. I am working with Pastor Mike and he is teaching me. He has the skill, I just feed him the information. Visit often and give us your input and feedback. A complete list of Point Place and Community Events, Meeting notices and the Newsletter will be posted there. Also pictures of the Parade and other PP Days Events as well as events throughout the year.

Mike is working on the Membership Page. It is not posted yet but it will list every PPBA member with your Business Name, address, phone number, etc. There is also room to link your Business Web Site, email address and/or Facebook Page there. We need this information from you to do this. We hope to have this complete by July. Be among the first to have your information included. There is also room for a picture of your business card or a picture of your business on the Membership Page under your heading. Some gave me the information at the last meeting but send it again to make sure we have it. Please email the information to ppbaonline@gmail.com.
