SEPTEMBER NEWS

General Membership Meeting – September 15th

1st VP Lynn Boden announces The General Membership Meeting for will be on September 15 membership meeting will be at Riverview Yacht Club. We will be having their famous “Bubba Burgers” that many of you will remember from last year.

There will be a presentation about Harborlands Initiative by Bob Kneisley and other guest speakers.

THE HARBORLANDS INITIATIVE STUDY WILL BE FEATURED

AT THE PPBA SEPTEMBER 15th MEETING

The Point Place Business Association Harborlands Initiative Study began in 2005 as an alternative solution to open lake disposal of dredged material by the Army Corps of Engineers. The proposal envisions the creation of a Habitat Restoration Unit in Maumee Bay. The unit would be composed of dredged material from the main shipping channel. The natural appearing “island” design would include a natural, clay bottom “fish nursery” and a break wall to withstand winter ice flows. The concept is intended to attract recreational boaters, fisherman, hunters and birders to our area. The Army Corps has to approve and fund the design and construction.

There will also be a representative from the Toledo Free Press.
