FEBRUARY NEWS

From Our President Jim Nowak

Everybody should have a mission statement. Have you ever wondered: Does the Point Place Business Association have a mission statement? It should. Every group should have one. So do we? The answer is: Yes, we do. It is contained in our by-laws: ARTICLE II Purpose: "The purpose of this Association is to promote and aid the general welfare and business interests of the Point Place Community."

We have two missions: "promote and aid the general welfare" and "promote and aid business interests." We are both a service club (Kiwanis, Lions, Rotary) and a chamber of commerce. As we move forward and do various projects: the question is: "Does the project fit under one of the two missions?" If so; which one? If you were to grade to each mission, what grade would you assign?
