## GREAT POINT PLACE DAYS PARADE & MONTH OF EVENTS

There was such a wide variety of events for all members of our community. Thanks to all who worked hard to make it a success.

**A BIG THANK YOU** to Mark and Deb Schuster, their family and employees, for all their hard work and dedication. I do not want to leave any names out but I would like to recognize some special people who I saw working and/or attending almost every event. Some of these people work behind the scenes before the event starts and long after every one else has gone home. Like VJ Huffman and Jim Meyer who were still cleaning up after the parade along Summit Street late in the afternoon. Howard Pinkley, Pastor Mike DeLong, Vee Stader, Kim Sheehan, Bob Kneisley and many others who chaired events or were there to help out all the time.

**THANK YOU ALL!!! JOB WELL DONE...**

## Visions of Cullen Park –

Did you read the article in The Blade back in May about Visions of Cullen Park? To read the complete article, go to our web site, ppbaonline.com.

**Here is just a small sample of what was said. . .** “The community action efforts of Visions for Cullen Park mesh wonderfully with efforts of the new and growing NWORR. These initiatives (Visions of Cullen Park and NWORR) collectively are the role model, a lesson, for how individuals, communities, and arms of government — in this case local and state — can work together and get things done. All hands deserve hearty applause. Can you imagine what kind of country this might be if this example was followed all the way to Columbus and Washington, D.C., and beyond? What a contrast with the ugly, petty, polarized, political backstabbing that characterizes too much of the ways things currently are being [or not getting] done.” – Steve Pollick, of the Blade

## Point Place and Shoreland Garden Club. . .

Adopt a Planter -We are looking for a lot of people to adopt a pot or two or three on Summit to weed and water them once a week. It should only take about ten minutes of your time if we get enough volunteers. Some are all ready being taken care of by businesses and garden club members. You can tell which planters are getting more care.

Thanks to Jim Meyer who waters the planters once a week but they can use more water and weeding. If you can help, call Cathy Rochte 419 726-9478 729-074

## Circus tickets on sale . . .
